"Steps Along the Way"

JOHN MARSHALL HIGH SCHOOL
3250 WEST ADAMS STREET
CHICAGO, ILLINOIS

FRIENDS ARE FOUND ON THE

STEPS OF MARSHALL

THE ADMINISTRATION ESTABLISHES

Dr. Joseph J. Zbornik
Principal

The year 1967 has been a year of success and achievement for John Marshall High School. I am proud of the students for their "Friendly and Scholarly" approach to their studies and their activities, and especially proud of their parents, who, as "Partners in Achievement", have contributed so much to their sons' and daughters' accomplishments.

THE GUIDELINES

Dr. James F. Redmond
General Superintendent of Schools

Dr. Lorraine Sullivan
Superintendent, District 8

Dr. Thaddeus J. Lubera
Associate Superintendent in Charge
of Instruction, North Section

STAIR- WAYS

Stairways reach upward offering new challenges and different experiences in life. The four years spent at John Marshall are one stairway for the students. Some of them have taken only one or two steps. The students pictured here have gone all the way to the top. Each step has presented them with obstacles and rewards. They have found that in working harder to meet these challenges, the rewards have been greater. Now, at the top, they are looking forward with eagerness and confidence to new stairways in the future.

KATE MAREMONT DEDICATED TEACHER AWARD

Mrs. Henrietta Schwartz

Mrs. Henrietta Schwartz, a member of our English department, was chosen from a select group of 200 candidates to receive the KATE MAREMONT DEDICATED TEACHER CITATION AND TRAVEL GRANT for 1966. Our principal, Dr. Joseph J. Zbornik, when recommending Mrs. Schwartz to the Citizens Schools Committee wrote:

"Words alone will not express the spectacular productions Mrs. Schwartz has directed, or indicate the intricacies of organizing hundreds of students in activities, as well as the necessary coordination and motivation of contributing teachers' efforts required of these programs . . . Her record speaks for itself. We recognize that we are an inner city school, but at the same time, we know that with sufficient effort, with people like Mrs. Schwartz on our faculty to inspire and train our young people, our students will no longer be afraid to compete in any area. They can hold their heads high and stand tall!"

Pastry is a specialty.

It takes a lot of rolls to fill the Marshall students.

This student seems to enjoy paying for his lunch.

You can't have your cake and eat it too.

Glowing lights from the auditorium stretch out into the darkness, welcoming your parents to graduation. This night marks the last step you will take at John Marshall, but it also opens the door to new stairways in life. The past four years have been "steps along the way" for your future.

SENIOR LUNCHEON

One of the culminating activities for the class of January, 1967, was the Class Luncheon, held at the Sheraton-Blackstone. The Entertainment Committee surprised everyone with a humorous skit about "Model High". It was a memorable afternoon for the graduates.

A typical "Model High" student.

The Entertainment Committee, as school dropouts, perform for the seniors.

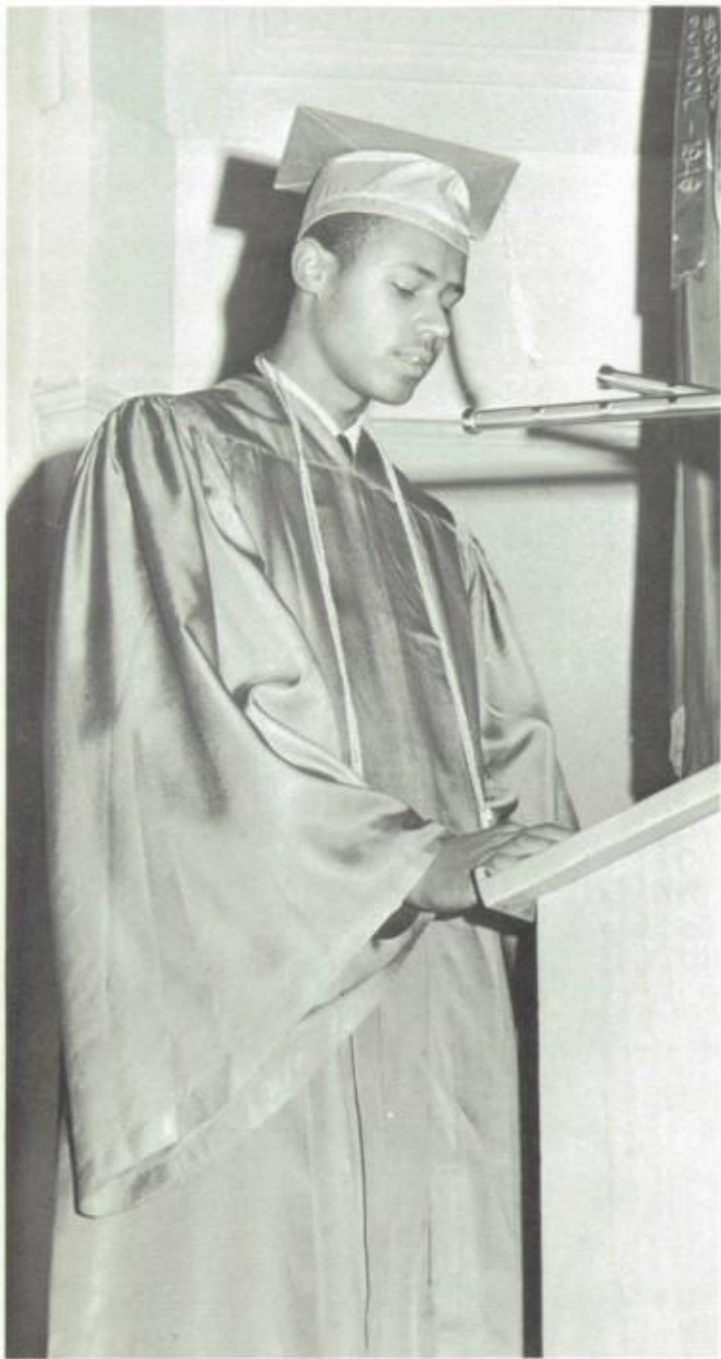

How do you like our hats?

Table 226 is all ready for their picture.

GRADUATION DAYS

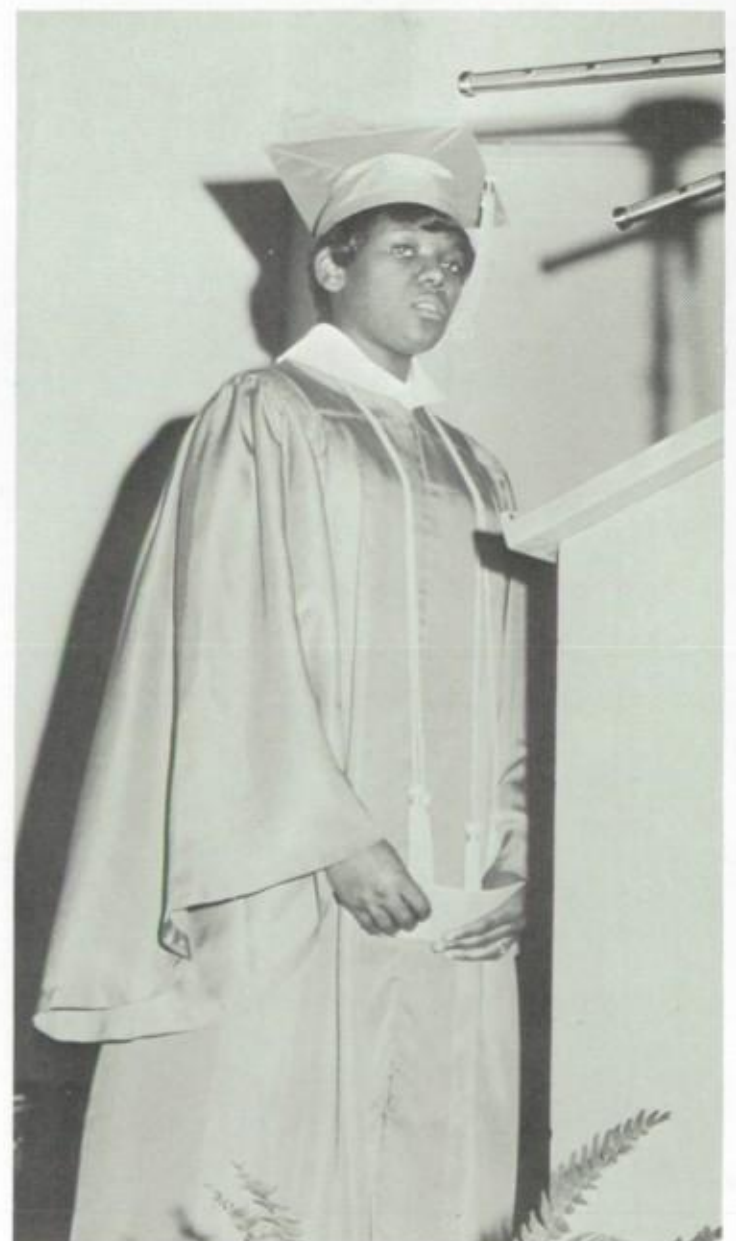

So, to my classmates I say: Accept these challenges. Strive for a goal. Put forth your best efforts at all times. And most important—think! Only then will our efforts result in broadened roads for ourselves, and for those who come after us.

Clyde Crenshaw—Valedictorian

To my classmates I would like to say: We have lived through the hardships and good times together. Now, I will leave with you this . . .
"The race is given neither to the swift nor the strong, but to those who can endure to the end."

Eva Sims—Salutatorian

Dr. Zbornik, Mrs. Meyers and Mrs. Horton check over last minute details.

Watch those tassels!

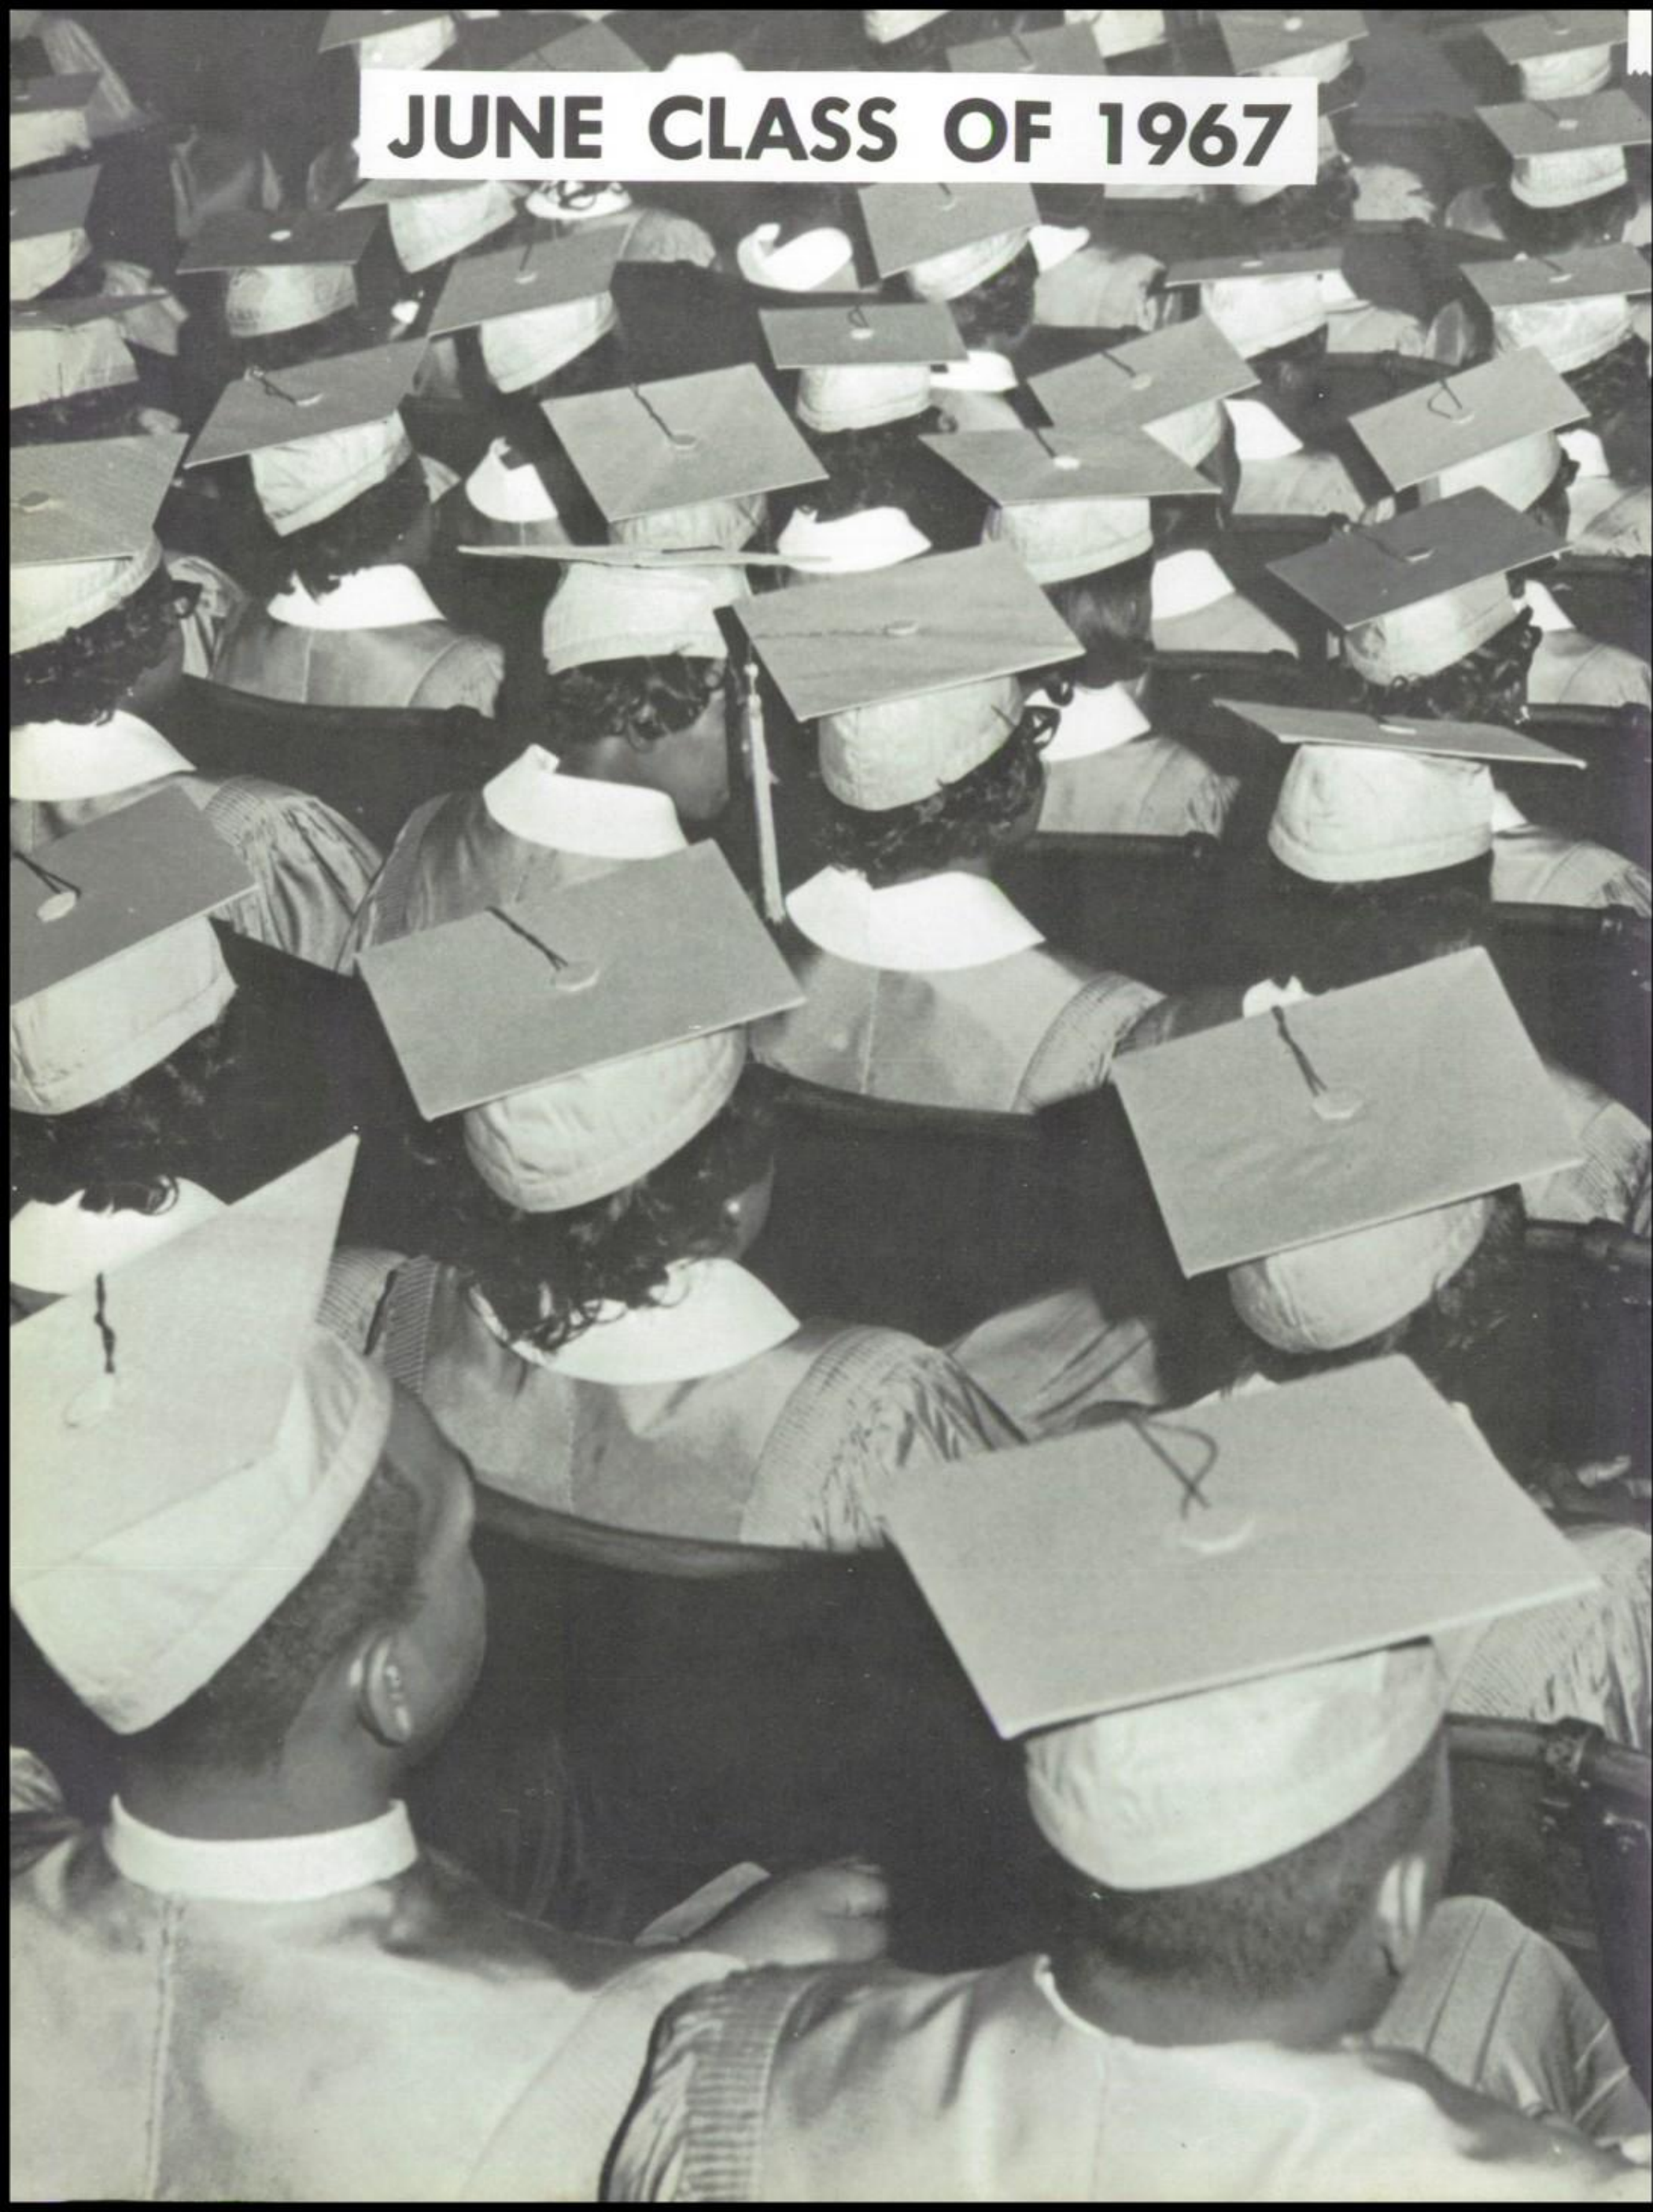

The top 10 percent of the class watch the procession from the stage.

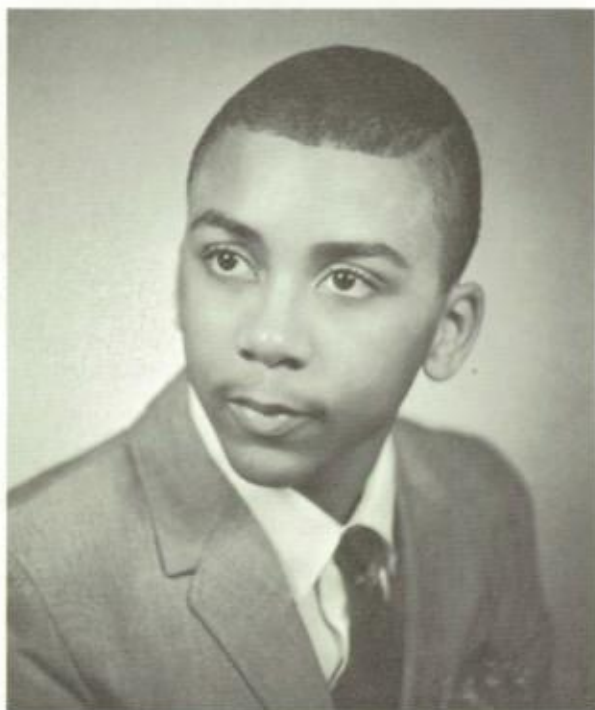

James Frazier receives the award for being the consistently outstanding ROTC officer.

We've got our diplomas, at last!

Dear FACULTY,

"Friendly and Scholarly!" This is our school motto, and these are two qualities that you, our faculty, have tried to instill in us. We will always remember our motto, and we will always remember you because you were . . .

our friends,

as well as our teachers . . .

Whenever there were difficulties, and advice was needed, you were right there to help . . .

explain that difficult problem,

plan those fun events

and enjoy them with us . . .

When things looked the darkest, and there seemed to be no end to our problems, we knew that the faculty was there with a hand outstretched ready . . .

to lead us,

to encourage us,

and to keep us happy . . .

We have looked to you for friendship, but more important, we have relied on you for guidance. It was your leadership that . . .

inspired a thirst for knowledge,

and challenged potential scholars . . .

So, for your friendship, guidance and leadership, we wish to say, thank you.

DANTE BRANCH OPENS

THE BIGGEST EVENT

This year, the big event was the opening of our new branch—Dante. Because of the large number of incoming freshmen, it was necessary to divert many first year students to Dante to relieve overcrowding at John Marshall. These students will spend their first year at Dante and then finish high school at Marshall. They are an enthusiastic addition to our student body. Already Dante's student body has formed its own student council, which works closely with the MCA. In March the Dante Mixed Chorus gave its first public choral concert. Dante students are found on the track team, the football team, the Drama Club and many other organizations at the parent school, or "Big Marshall" as the Dante students affectionately refer to Marshall.

Mr. Sidney Miller, Head Teacher at Dante, could not be prouder of his students. "These are a fine group of youngsters. Despite many problems that go with opening a new school, these students are already pulling as a team."

So, to Mr. Miller, his staff, and all the Dante students, the **REVIEW** staff says, "Welcome, "Little Marshall!"

ORGANIZATIONS

STUDENT COUNCIL

Composed of representatives from all four classes, the Marshall Civic Association serves as a bridge between the students and the faculty. The MCA charters all the student organizations within the school. Major and minor school letters, earned by service given to the school, are awarded by the MCA at a special awards assembly each year. With the addition of the Dante branch, the MCA has the additional role of serving as the parent organization to Dante's Student Council.

NEWS AND REVIEW

Capturing the spirit of John Marshall is the goal of the Marshall **NEWS** and **REVIEW**. To accomplish this task, the staffs gather material, write copy, edit, proofread, and cut and paste. Long hours are spent getting out the paper and the yearbook as deadlines loom. Although at times, it seems as if the job will never get done, the staffs meet the pressure, and the publications are proud examples of their work.

HONOR SOCIETY

Students who have been accepted as members of the Honor Society have maintained a "B" average throughout their high school years. These students are the ones who devote themselves to the scholastics. The attainment of membership in this group is but the first step up the ladder of higher education.

SPANISH CLUB

The purpose of the Spanish Club is to provide interested students with an introduction to the culture of the Spanish-speaking nations. The members take trips to Spanish or Mexican restaurants and visit the Art Institute to view the works of Latin artists and to hear Spanish music.

All the stress is not on culture, however. This year the Spanish Club dined at La Margarita, a Mexican restaurant. The menu included tacos, frioles and a Mariachi concert. It was a memorable evening for all.

GARDEN CLUB

Planting bulbs, cuttings and seedlings gives the members of the Garden Club an opportunity to work with plants and soil. They learn how to take care of house plants and outdoor plants. Another important aspect of the club is helping the students to discover the pleasure of working with their hands. Getting dirty is fun, if you belong to the Garden Club.

FRENCH CLUB

Formed to enhance a cultural knowledge of French, the French Club is one of the most active organizations. Spotlighting this year were trips to many places. The members visited the Kungsholm Restaurant to see the opera "Carmen", performed by the famous puppets. Other trips included attending French concerts, viewing the Christmas displays at the Museum of Science and Industry, and seeing the "Imaginary Invalid" by Moliere at the Studebaker Theatre.

"M" CLUB OFFICERS: G. Johnson—Pres., B. Williams—Sgt.-at-arms, C. French—Sec., R. Hatchett—Treas.

"M" CLUB

The "M" Club is one of the most exclusive clubs at Marshall. Only a boy who has competed on one of the varsity teams and earned his letter is eligible to join. As a result, the "M" Club has a great tradition. The members assist in crowd control at all home games, and this is one of the reasons for the history of good sportsmanship at Marshall.

G.A.A. FOSTERS

For the girl who is athletically inclined, the Girls' Athletic Association provides special activities. The G.A.A. sponsors Cheerleaders, Majorettes, Modern Dance and intramural tournaments. Awards are given to the winning teams, and trophies are presented to senior girls who have excelled in a particular area. As of 1966, the G.A.A. awards the Charlene Thomas Memorial Trophy to the outstanding, graduating, girl athlete, and her name is engraved on the plaque which hangs outside the girls gym door on the main floor.

SCHOOL SPIRIT

A friendly spirit of competition is an essential part of high school life. Here at Marshall, the Cheerleaders, the Majorettes and the Pom Pom Girls inspire our teams to victory, while they lead the fans through each season of thrills. Intensive practice, intricate routines, colorful costumes, and smiling, cheering faces add up to a . . . "YEAH GIRLS!"

THE DRAMA CLUB STAGES

Members of the Drama Club, "Watch the birdie."

House lights begin to dim; late arrivals hurry to their seats; the audience begins to move restlessly; backstage, the cast gathers; "Break a leg!" These words mean that the Drama Club is presenting another show. The members narrate many of the assemblies, produce two three-act plays a year, and enter a dramatic cutting into the I.H.S.A. speech contest each year. This year's entry, "The Green Pastures" placed fourth in the district competitions. The cast enjoyed the cutting so much, that the group decided to present the full play for the spring production.

DRAMA CLUB OFFICERS: B. Hendricks, sec.; V. Roberts, treas.; S. Jones, vice-pres.; D. Jordan, sec.

LaMar Richards leads the sing along.

"I think it's jest wonderful, Miss Deshee. I cain't understand any of it."

"Let dere be a place to drain off dis firmament."

INSTRUMENTAL MUSIC PROVIDES CREATIVE

To meet the needs of the musically inclined student, John Marshall has two instrumental groups—the **CONCERT ORCHESTRA**, directed by Mr. William Murray, and the **CONCERT BAND**, directed by Mr. Robert Hirsch. Both groups provide the student with an opportunity to play music that requires skill, discipline and developed talent. Each instrument lends its particular qualities to the ebb and flow of the complete sound, and each member strives to master the best tone of his own instrument.

The members of the Concert Orchestra perform at the Spring and Fall Festivals, assemblies, and at every graduation. The final results of the Concert Band may be heard at the festivals, Homecoming, and at a special concert, the Bandarama, which is held each spring.

The Advanced Mixed Chorus demonstrates its talent to the student body by caroling during the holiday season, by performing at many assemblies, and by staging the traditional Spring and Fall Festivals.

HALLGUARDS

Coordinated by Mr. Goldberg, the hallguards are the largest service group in the school. Every day, each floor of the school in both the new and the old building is manned by hallguards. These students check to see that nobody breaks into the lockers, and they also prevent outsiders from wandering the halls. Another important duty is the security of the fire alarms. Without the help of these students, the halls of Marshall would have difficulty. We take off our hats to their contribution to our school!

Checking each student's pass is one of the duties of the hallguards.

Here the hallguards solve the problem of a forgotten combination.

Hallguard captains check each post every day, every period.

Security is handled by the students both in the HG office and in the halls.

The stage crew poses admiringly in front of their handiwork.

STAGE CREW

The harder the stage crew works, the less effect their work has on the audience. Because when a production goes off smoothly, it means that those who work behind the scenes are not noticed. Painting, hammering and generally pulling things together, the stage crew works on, loving every minute of it.

Members of the crew watch from backstage during a performance.

DISTRIBUTIVE EDUCATION

Distributive Education concerns itself with providing on-the-job training and vocational education in the field of distribution. Classroom work is coordinated with job training.

ATHLETICS

PLAYING THE GAME

The importance of football is not measured by the won and lost column. Coach Peoples instills in his players the desire to "play the game", winning or losing to the best of their abilities. The football player who has learned to always give his best and to take the lumps along with the laurels has a good foundation on which to build his future.

BASKETBALL

Despite a 14-14 season, the Commandos had a successful year. After finishing third in the section the team went into the quarterfinals as underdogs, a new role for a Marshall team. Defeating a favored Sullivan team, the boys went against a strong Crane team, which had already beaten them three times during the season. However, with great determination and a never-say-die spirit, the team rose to the challenge, defeating the Cougars 75-68 in a big upset. True to tradition, the John Marshall basketball team emerged as one of the top four teams in Chicago. Although losing to DuSable in the semifinals, the team had finished off the season in true Commando style.

In the section the record was 9-1.

Members of the track team are instilled with a desire to win. Since track is not a dominant spectator sport here at Marshall, the Mercurians strive to win the race because of a pride in themselves, not for the applause of their schoolmates. This training stands them in good stead in the future. Doing your best just because it is in you helps our team to succeed.
